

Would you like to  
**make more sales**  
with **less struggle?**

**Dramatically increase the number of your successful sales presentations by learning to:**

- ❑ Raise your confidence level while relaxing into and expressing your true self
- ❑ Invite your client's attention and hold it by recognizing their signals
- ❑ Maintain your composure while answering tough questions in the moment
- ❑ Build trust and gain respect by listening in a new and enjoyable way
- ❑ Enliven your talk and create a memorable message with personal, relevant stories
- ❑ Be intentional with comfortable eye contact, pauses and emotional discernment

Would you like to  
**make it easy**  
for your clients to

**say YES** to  
your recommendations?

- ❑ Notice the impact your voice has on others and fine-tune it accordingly
- ❑ Emphasize your message by eliminating distractions and using purposeful gestures

Would you like to  
**learn** the secrets of  
using your **unique style**  
to attract abundance?

- ❑ Learn the art of asking good questions and aligning with your client's goals
- ❑ Go beyond your comfort zone, be bold and feel the thrill of success

**Your clients will notice the difference.**

**You are the one they'll trust and want to do business with.**

How you connect with others has unimaginable significance. You'll see immediate results with **individual coaching or customized group training**. For accelerated self-awareness and a deeper understanding of audience receptivity, Pamela will also come to your presentation for live video-taping.

**Call now to discuss your unique needs and desired results.**
